

**20th INTERNATIONAL CONFERENCE-SCHOOL
„ADVANCED MATERIALS AND TECHNOLOGIES“
August 27-31, 2018, Palanga, Lithuania**

Organizers	Kaunas University of Technology Lithuanian Materials Research Society Vilnius University University of Tartu Center for Physical Sciences and Technology University of Latvia Riga Technical University PCAM: A European Doctorate Network
Topics	Methods of surface analysis Surface engineering and nanostructures Electronic and optical materials Ceramics Advanced engineering materials Polymers and composites Materials for energy

IMPORTANT DATES:

May 18, 2018 deadline for the registration and abstracts submission

June 12, 2018 deadline for the reduced registration rate

June 29, 2018 final announcement (including a programme)

August 27, 2018 beginning of the conference-school (arrival)

Registration and information: advancedmaterials.ktu.edu
